STAY SEXY

– SOME SIMPLE GUIDLINES OF SEX APPEAL ...

01. PURSUE // If you feel strongly about someone or something, face it. Pursue what you want in life. Why be shy about something you want. When you approach the other sex, go up to them and have a talk, but be enthusiastic, real, and pleasant, Wipe off all your awkwardness and insecurities, and express yourself freely.

02. EXPERIENCE // Fashion can't make you sexy, but experience can. Train yourself and use your imagination.

03. BEAUTY // Life sure is better for beautiful people. So do your best to look your best. Keep your body and soul up to date and wear good cloth.

04. CONFIDENCE // A person's state of mind and attitude adds up a great big factor to one's personality. Once you feel confident enough, the guts gives you the aura to shine and stand out without being too proud. Just enough to be recognized.

05. APPEAL // A person with a great appeal is a 100% head turner. You have it in you, you just have to dig deeper for it to be seen. Sexiness is not all physical, but also a means to be identified among a huge crowd; and It aint so bad. /**SLITZ**

WHAT TO DRINK NOW?

MOJITO

A Mojito is traditionally made of five ingredients: white rum, sugar (traditionally sugar cane juice), lime, sparkling water and mint. The original Cuban recipe uses spearmint or "Yerba buena", a much lighter mint variety very popular in the island. Its combination of sweetness, refreshing citrus and mint flavors are intended to complement the potent kick of the rum, and have made this clear highball a popular summer drink. The mojito is one of the most famous rum-based highballs. There are several versions of the mojito.

Ingredients

* 2 ounces light rum
* 4 ounces soda water
* 2 sprigs of fresh mint
* 1/2 teaspoon sugar
* juice of 1/2 lime
* crushed ice

Mixing Instructions

Mix (stir) the sugar and fresh lime juice together in a highball glass. Crush one of the mint sprigs and drop it into the glass. Fill the glass with your crushed ice, pour over your rum and fill the rest of the glass with soda water. Use your second mint sprig as a garnish.. /**SLITZ**

BREW DOG
TACTICAL NUCLEAR PENGUIN
beer for the dedicated
About: Martin and James were bored of the industrially brewed lagers and stuffy ales that dominate the UK market. We decided the best way to fix this undesirable predicament was to brew our own beers. Consequently in April 2007 BrewDog was born.
Both only 24 at the time, we leased a building, got some scary bank loans, spent all our money on stainless steel and started making some hardcore beers.
We are dedicated to making cool, contemporary and progressive beers showcasing some of the world's classic beer styles. All with an innovative twist and customary BrewDog bite.

ALCOHOL BEVERAGE

WORLD'S STRONGEST BEER

– THIS IS THE WORLDS STRONGEST EVER BEER, EVER (YES EVER)....

A small Scottish brewery (BrewDog) with a taste for controversy has produced what it claims to be the world's strongest beer, one so alcoholic it is designed to be drunk in whisky-sized nips and it should be enjoyed in small servings and with an air of aristocratic nonchalance. In exactly the same manner that you would enjoy a fine whisky, a Frank Zappa album or a visit from a friendly yet anxious ghost.

The BrewDog team have pulled off its most audacious and ambitious project to date, and smashed a world record in the process. The beer, which goes by the name Tactical Nuclear Penguin, has been made by a company called BrewDog in Fraserburgh, north-east Scotland. They clame to set a new world record after creating the strongest beer in the world. Weighing in at an ABV of 32%, BrewDog's 'Tactical Nuclear Penguin' beats the previous record of 31% held by German beer brand Schorschbraer./**SLITZ**

RILEY LOVES WAR MACHINE

Former UFC fighter War Machine has made the transition from fighting to porn. His first bout on the bed was with famed Digital Playground contract star Riley Steele™. The movie containing War Machine's first ever adult scene is titled "Riley Loves War Machine" and is slated for a January 2010 release. War Machine says, "I'm still going to be fighting, [but] I'm a free agent now. It's my passion. Porn is just another way for me to get paid for doing something I love to do. My mentor told me to find something you're passionate about. That's why I fight--and I love to fuck, so this is going to be good."

WOLFMAN (2010)

Lawrence Talbot, a haunted nobleman, is lured back to his family estate after his brother vanishes. Reunited with his estranged father, Talbot sets out to find his brother... and discovers a horrifying destiny for himself. Talbot's childhood ended the night his mother died. After he left the sleepy Victorian hamlet of Blackmoor, he spent decades recovering and trying to forget. But when his brother's fiancée, Gwen Conliffe, tracks him down to help find her missing love, Talbot returns home to join the search. He learns that something with brute strength and insatiable bloodlust has been killing the villagers, and that a suspicious Scotland Yard inspector named Aberline has come to investigate.

LISA KENSINGTON

– DJ SPINNA ...

INTERVIEW

PROFESSION? Dj/RockStar.

WHAT IS THE SIGNIFICANCE OF YOUR DJ NAME AND SOUND? Kensington is the section of Philadelphia where I spent the first17 years of my life. I definitely think there is a significance to my sound. Music is my best form of expression, every set I play says something.

WHAT AND WHEN WAS YOUR FIRST BOOKING? My first booking was an easy one, a birthday party for a friend at Layla in New York.

BEST DJ EXPERIENCE? An unforgettable moment was having Tj the Dj (who turned too many of my Saturdays nights into Sunday morning) pull me out of his DJ booth on a stage to bow down to me after my set. It was one of my 1st huge events and final nights before the club closed its doors.

WHAT HAS BEEN YOUR BIGGEST GIG SO FAR? One of my first gigs was in Rabat, inside the Palace, for the Prince of Morocco.

DO YOU PREFER PLAYING AT CLUBS OR BIGGER EVENTS? Events are special and fun.. but as long as the room loves house music it doesn't matter much to me.

WORST DJ EXPERIENCE? Anytime you run into an tech difficulties, issue with equipment,sound system, etc., can be a disaster, it happens!

WHAT'S YOUR TOP 4 TRACKS OF THE MONTH? NStay Close, (1) Albin Myers, (2) Love under, DBN remix, Eddie Thoneick, (3) Harmonica got the love - Tom Novy & Jerry Ropero and (4) Tiesto - Escape Me (Aviciis Dub At Night).

WHAT TRACK IN YOUR REGULAR SET HAS HAD THE LONGEST SHELF LIFE? Alright by Red Carpet that song always makes me feel good. I also have about ten different mixes of it.

HOW WOULD YOU DESCRIBE YOUR SOUND? I think that my music is a reflection of who I am.. Smooth, sexy, well put together and never misses a beat.

WHO'S YOUR FAVORITE RE-MIXER? I have too many favorites! Axwell is always a sure shot, Avicii is on fire right now... Hook& Sling, Funkagenda, Richard Grey, Alex Kenji, Jerome Isma-ae, Chris Lake... Always have there name at

the end of something hot.

WHEN YOU ARE UP THERE DO YOU HAVE A PLAY LIST OR DO YOU READ THE CROWD? I always have favorite "tracks of the moment" that I'm crazy for, so I usually throw together a play list that works to play around that. But ultimately, its the energy from the crowd that decides what I drop.

WHO AND WHAT ARE YOUR INFLUENCES? When ever I get see a DJ play live that I admire or aspire to its a huge influence. Always great for inspiration. Erick Morillo, Tom Novy, Steve Angelo, Axwell, Dirty South... too many to list!

WHAT CLUB/EVENT WOULD YOU LIKE TO DO? Amnesia or Pacha Ibiza would be amazing. If Pete Tong requested me as a guest DJ on his show I would consider it a personal life time achievement award.

DOSE IT COST LOTS OF MONEY TO BECOME A DJ? More yes than no. Equipment and software programs can be pricey and if your serious about becoming a DJ you will want your own.

It can also be a costly, time consuming hobby if your not booked for gigs regularly.

FUTURE PLANS? I plan to work on some remixes for some of my favorite tracks, leading to producing some of my own further along. As a side project, I will also be involved with a New York based hand bag line. The designer is using my input on her new project, custom Dj bags designed for the She Dj.

YOUR BEST DJ WEBSITES? I love my SoundCloud! House Planet.Dj will keep you fresh, True groves.com is always great for industry references too and of course the site of my exclusive agency www.escadedjs.net. /**SLITZ**

SEXPILOT

0! "IT'S NOT CHEATING, IT'S EXPLORING & REFINING ONE'S TALENT"

My boyfriend is a man who lives far far away & while he's away I hone in my sexual skills. Now don't get me wrong. I love my boyfriend but there are things I'd like to do to him that I have yet to perfect & therefore I call on the willingness of my playmate who is also in a long term relationship. Now you may or may not think ill of me but this is what I enjoy doing. My boyfriend is a mature & loving man. Although he's had many sexual experiences in his lifetime, he's not the submissive type. And I, the dominating woman that I am enjoy anal play which I hope to one day be able to do on my dear boyfriend. Although I maybe sexually stimulating another man (which can also be done with a glance, exchange of words or simply pouting one's lips) I don't consider it cheating. Why? Because there's no emotional connection between me & my playmate, I'm merely refining my sexual skills in order to become an amazing lover to my boyfriend. What's wrong with that? And it's not like I'm being penetrated by this playmate, quite frankly 'no'. I get off on dominating the man & being able to take him beyond the norm of sexual play. This is something my playmate has yet to experience with his girlfriend. I always wondered why some men & women are hesitant to explore their sexuality with their own partners, even those who've been together for years! /SLITZ

RYAN DJBUZZ RECIO

– DJ ...

INTERVIEW

WHAT IS THE SIGNIFICANCE OF YOUR DJ NAME? The word "BUZZ" is defined as to talk often excitedly in low tones, which I do often when "BUZZED" LOL! Thats what I'm known for, seriously! Odd I know. But I have re-defined the meaning, I shut my mouth and let my turntables speak.

HOW LONG HAVE YOU BEEN A DJ AND WHY DID YOU FIRST GET INTO DJING? I've been DJ'n for about 10 years now and to be honest I never thought id be a DJ. I was living with a friend "DJ slip" which who I always hung out with, going to his gigs helping him carry records to the clubs and stuff. But anyways, to cut the story short, one day he knocked on my door with an extra set of turntables and mixer and the rest is history.

WHAT WAS YOUR FIRST BOOKING AND WHAT HAS BEEN YOUR BEST DJ EXPERIENCE? My first booking was at a club called white lotus in Hollywood about 5 years ago. Man let me tell you, I was as nervous as going up to a girl trying to get her number. But a few shots calmed me down, I do the same by the way when approaching a female lol!

Best DJ experience... man, that's tough. Every gig is an experience and I am never sober for any of them haha! But anyhow, I would have to say when I spun at rum jungle and revolution lounge in Las Vegas. It opened up opportunities, pushed me to be better and taught me to be diverse. Every single person has their own taste with music and its a DJ's job to deliver.)

WHAT HAS BEEN YOUR BIGGEST GIG SO FAR? I've been blessed and fortunate enough to have gigs in general. But the biggest gig I've had so far hmm mann can I name a few? Lets start with the MYX Jump Off Tour in Los Angeles with Bobby Valentino, Roscoe Umali and Apl of the Black Eyed Peas. Manny Pacquiao's (vs. Cotto) after party at Highlands in Hollywood 2009. Nonito Donaires after party at Rum Jungle in Las Vegas 2008, by the way big shout out to the homie Nonito! The Filipino Flash! I've also done stuff for the grammy's after party and many more! But I think I was only supposed to name off "1" gig so sorry. But seriously I am very fortunate to be around good promoters and venues. Thank you so much for the gigs!

DO YOU PREFER PLAYING AT CLUBS OR BIGGER EVENTS?

WHAT ARE YOUR GUILTY PLEASURES?
Pleasure.. Besides women? *joke* Well not really.. Hahaha I'm in to shoes actually, Nike shoes specifically. If I was not DJ'n for NIKE out here in Beverly Hills most of my money will be on shoes. So thank you NIKETOWN Beverly Hills for always hooking me up with free shoes.

EARLY BIRD OR NIGHT OWL?
I'm definitely a night owl. I'm a DJ, only time I'm up early is when I'm hangover!

BEST PARTY PLACE? My Friday nights at Les Deux in Hollywood! Diverse Crowd, exclusive venue and once in a while professional athletes will come by. Yall should come visit so we can have some patron!

WHAT ARE THE TOOLS YOU COULDN'T LIVE WITHOUT?
My MacBook Pro, iPhone, Serato, Turntables, Internet, TV and yes I have a heart I can't live without my family and friends of course.

I'M NEVER UP FOR? Waking up early in the morning. It's just not my thing.

You can't go wrong with either one. Both gigs will offer it's own network. In this business it's all about networking. But right now I would have to say clubs. Its fun, none stop fun if you know what I mean.

WHO AND WHAT ARE YOUR INFLUENCES? MY INFLUENCES as a DJ...I will give you 2 names DJ am (r.i.p. am!) And DJ Vice "period".

HOW WOULD YOU DESCRIBE YOUR SOUND? Hmm...smooth, funky, energetic type I guess. Come check me out and I'll let yall describe how I sound and we can have some patron shots while we're at it.

WHAT'S YOUR TOP5 TRACKS AT THE MOMENT? In no particular order:

- EMPIRE STATE OF MIND – Jay Z feat. Alicia Keys
- BY THE WAY - Red Hot Chili Peppers Grandtheft Remix
- USE SOMEBODY - Kings of Leon Chew Fu remix
- SEXY B**** - David guetta feat. Akon Chuckie remix
- ANYWAY - Duck Sauce.

WHAT TRACK IN YOUR REGULAR SET HAS HAD THE LONGEST SHELF LIFE? I would have to say Billie Jean or Thriller by Michael Jackson cause it will make any person dance no matter what age. R.I.P. MJ!

WHO'S YOUR FAVORITE RE-MIXER? WOW! Theres many! But right now I would have to go with: Discotech, Chewfu, David Guetta, Laidback Luke, Grandtheft, A-trak and Afrojack.

WHEN YOU ARE UP THERE DO YOU HAVE A PLAY LIST OR DO YOU READ THE CROWD? When I come to the club I don't come with a playlist or even a plan I go with the crowd and what they vibe to. The crowd determines how I spin, I feed off their energy. I mean every DJ is different though, they can rock a crowd in which ever way they're comfortable with.

WHAT CLUB/EVENT WOULD YOU LIKE TO DO? ANY! I will be honored to rock a set. That's the great thing about DJ'n, you will never know who you will meet. One thing you know you're in the plane headed to DJ in another city, state or country.

DOES IT COST LOTS OF MONEY TO BECOME A DJ? WHAT TYPE OF EQUIPMENT DO YOU OWE? Yes it does, but you can buy used gear. That will be the least of your problem though. The most important thing is getting a hold of a good music library.

My equipment: 2 Technics 1200, Vestax PMC-05-Pro, Macbook pro and Scratchlive "serato".

FUTURE PLANS? To DJ for my homeland Philippines and to DJ in other countries as well.

YOUR TOP5 DJ WEBSITES? Lets start with the free websites cause we like free! (1) digiwaxxmedia.com (2) www.crateconnect.net. Then theres the popular non-free websites: (3) www.beatport.com (4) www.crooklynclan.net. And last but not least www.slitzmag.com! They feature DJ's! Don't sleep on SLITZ mag people! REAL-ITY TV SHOW

50 CENT

– THE MONEY AND THE POWER...

Donald Trump. Steve Jobs. Bill Gates. When it comes to hustling for money, they've got nothin' on 50 Cent. After hustling on the streets of Queens, N.Y., the superstar rapper was discovered by Eminem and shot to fame in 2003 with his multi-platinum-selling album Get Rich or Die Tryin'. Born in South Jamaica, Queens, Jackson began drug dealing at the age of twelve during the 1980s crack epidemic. After leaving drug dealing to pursue a rap career, he was shot at and struck by nine bullets during an incident in 2000. After releasing his album Guess Who's Back? in 2002, Jackson was discovered by rapper Eminem and signed to Interscope Records. With the help of Eminem and Dr. Dre, who produced his first major commercial successes, Jackson became one of the world's highest selling rappers. In 2003, he founded the record label G-Unit Records, which signed several successful rappers such as Young Buck, Lloyd Banks, and Tony Yayo.

Now, 50 Cent's looking to spread the love by handing over $100,000.00 of his hard-earned cash to someone he thinks will be the next big business mogul. But how's he gonna find this person? Simple. He's rounding up 14 of the country's most ambitious young entrepreneurs who have a track record of being smart, savvy and successful at playing the game. Let the quest for The Money and the Power begin!

Ultimately, 50 Cent will hand over a wad of cash to the person who possesses the strongest combination of ambition, fearlessness and business flair. The money could help pave the way for the winner to become the next great business mogul, and the gesture lets 50 Cent give someone the helping hand he never had. And it could just turn out to be his best investment yet.

You've seen how business school can get someone in the boardroom on The Apprentice. You've seen how human instincts can keep people alive on Survivor. But you've never seen just where the art of hustling can get you ... until now.

It's time to find out who's got what it takes to impress 50 Cent and walk away with The Money and the Power. /**SLITZ**

THE END OF LONDON CLUBBING?

– DON'T SPEAK TOO SOON

It has not been the greatest of years for the London club scene. Slowly but surely, iconic venues which have been the mainstay of London night life for years have closed their doors for the last time, with very few new places opening to replace the void.

In the past year places such as Dolce London, AKA and The End, Paper, Chinawhite, Astoria, Rex Cinema and Bar, Metro and Sin have either been sold to developers or simply went out of business. What's worse is that there seem to be very few new London clubs opening. And then there as last year too…

Last year saw the end of such well known clubs such as Turnmills, The Cross, The Key, Marquee Club, Unit 7, T Bar, Pangaea and Canvas - Not what one would say is all too healthy for the club scene.

But it is far from the end of the club scene in town – there is still plenty to do when the weekend arrives. There are a few new places either opening their doors for the first time or being occupied by new owners with complete re-fits. Plus places like the Fridge, Brixton Academy, Fabric and Matter are still going strong.

Aquum is a new club that opened in Clapham this year, and although it is more of the 'glamour' scene (think West end meets SW4), it is still a step in the right direction.

Then there is Cable in London Bridge. Built deep within the labyrinth of London's Victorian viaducts and archways, Cable is looking like one of London's new destination venues. With an interesting programming slate, 3 rooms, including a parlour room connecting the 2 dance floors - both boasting their own bars, and a wicked sound system by European sound specialists Nova.

The summer festivals are finished for the year – but since our summer was not much to write home about – there wasn't much to miss. There is however a thriving underground scene which takes place in many former theatres, railway arches, factories and warehouses, despite pressure from the police to stop them. Hang around Camden market for a day on the weekend and you can get lots of info about every kind of party, no matter what your tastes. /**SLITZ**

IT'S TEE TIME - WITH FRANCISM CLOTHING CO. "3 STARS AND A SUN"

WHAT IS "3 STARS AND A SUN" AND HOW DID YOU GET YOUR START IN TEES INDUSTRY? Well, it all started with the song of the late francism "3 stars & a sun" way back 1993 but the clothing company starts 2005 and officially launch october 2006. In early 2000 francism used to endorse foreign brand & during that time that foreign brand is really-really boom and yet francis doesn't get paid for it. It's just an ex-deal, he gets a certain amount of clothes… And then one day he realized "Why am I endorsing this foreign brand? What if I create my own brand?" A Filipino brand that will compete to other big brands here and abroad, and that's it; Francis, Itoy Villajin, Carlo Maniquiz, and myself, started to register our brand. We searched for some shirt suppliers and the rest is history....

YOU ARE MOST FAMOUS FOR? We are most famous for filipinos here & abroad. But 60 % of our customers are mostly balikbayans.

WHATS YOUR FIRST DESIGN? Mic bling, pride, filipino since birth & I love pinas.

_HOW DID THE BREAKTHROUGH HAPPEN? Well the breaktrough happened mid 2007 when some celebreties,politicians etc. are looking for 3 stars & a sun everybody wants to be patriotic in this country.they starded to love our culture. They always wants to wear our shirt on TV and then some magazines, TV shows & news papers featured 3 stars & a sun even in abroad.

_T-SHIRT STRATEGY & STYLE? At first our strategy is underground selling, we sell over the trunk of our cars, we sell through friends. With regards with our style we make sure that our style is unique & fashionable at the same time. As you noticed everybody now wants to pirate or copy our style even some big brands now wants to copy 3stars & sun. /**SLITZ**

-MODEL

MODEL STORY

HONEY SANTOS

PROFESSION? Full time student, part time waitress, Model for fun, oh, and my faja created Pinoy Basketball League, (PBL Washington) and some day I am going to make bigger and better changes as new Owner.

WHAT MADE YOU WANT TO BECOME A MODEL AND WHAT INSPIRED YOU TO FOLLOW THE PATH YOU ARE ON NOW? I was the biggest tomboy in school. I would always get into fights with boys and was always loud, rebellious and outspoken. No guys were attracted to me at all. As I grew older, people started noticing little things like my height, facial structure, body frame etc,. It all really started when one day my aunt needed a runway model for a fashion show, and I kept getting gigs after that.

WHAT HAS BEEN YOUR BIGGEST GIG SO FAR? I've done runway shows here and there but so far, working with Mr, Julian Garcia for Slitz Mag.

WHAT'S YOUR FAVORITE STYLE OF PHOTO SHOOT? I love Maxim style shoots. My alter ego (I call her Mila) loves being in front of the camera.

WHAT TYPE OF MODELING IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? If I could grace the pages as a skinny hanger high fashion model , I would, but I don't have that look. Let's be real, sexuality oozes out of my pores. I have big lips, tits, hips, ass and thighs. I have a look, a body that is essentially the main concept of the kind of photos I am in. Some people roll their eyes, some people hate, some people love it! I am blessed and proud with what my manufacturers molded me into, and potential is meant to be made the most out of so here I go, just watch me. I'm pretty open to doing most styles of shoots but as of right now, its a no no for full on nudes, fetish, porn, etc.

ARE THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? There are a lot of indecent proposals in ANY industry. Someone is always going to attempt to rob you of something YOU have that they don't, but want, and for bad reasons.. I have stories, but I like to look back at them as bad food. It looked good when I put it in my mouth, but ended up being real bad for me and making me sick. So I just fart it out and use it as a fuel to keep going, and NEVER eat that again. LOL.

WHAT IS THE BIGGEST LESSON YOU TOOK AWAY FROM YOUR EXPERIENCE IN MODELING? Always always do research on anybody you are going to work with in the future. Have an open mind, but trust your instincts. Don't do it if you don't want to. super cliche, but you"ll know what I mean.

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AND THE WORK YOU DO? Oh there are a zillion misconceptions about me and what I do. But if that's what people want to talk about, then I'm just going to keep giving them something to talk about. I would always rather be the hated than be the hater.

YOUR FAVORITE VIRTUE? "Losers make excuses winners makes things happen."

BEST PARTY EXPERIENCE? Who cares about what happened back then, every party experience is a good one, lets throw another party and make it CRACK!

WHAT'S YOUR RING TONE RIGHT NOW? Kill Bill Theme Song.

BEST PARTY PLACE? Anywhere. Hotels with 24 hour pools are dope.

FAVORITE ALCOHOLIC BEVERAGE? Pina Coladas.

WHAT ARE THE TOOLS YOU COULDN'T LIVE WITHOUT? My smile, my ego, my strive for success , my mentality, and my ability to say "Fuck you, No thanks.." everything else is secondary.

YOUR 5 FAVORITE SITES ONLINE? Google, ModelMayhem, Pandora, YouTube and CollegeHumor."

TURN-ONS? Of course I am a sucker for a ripped bod, I love taller guys but the thing that really kills me is when a guy a very shy yet silly, confident yet humble and NEVER expects anything from me. /**SLITZ**

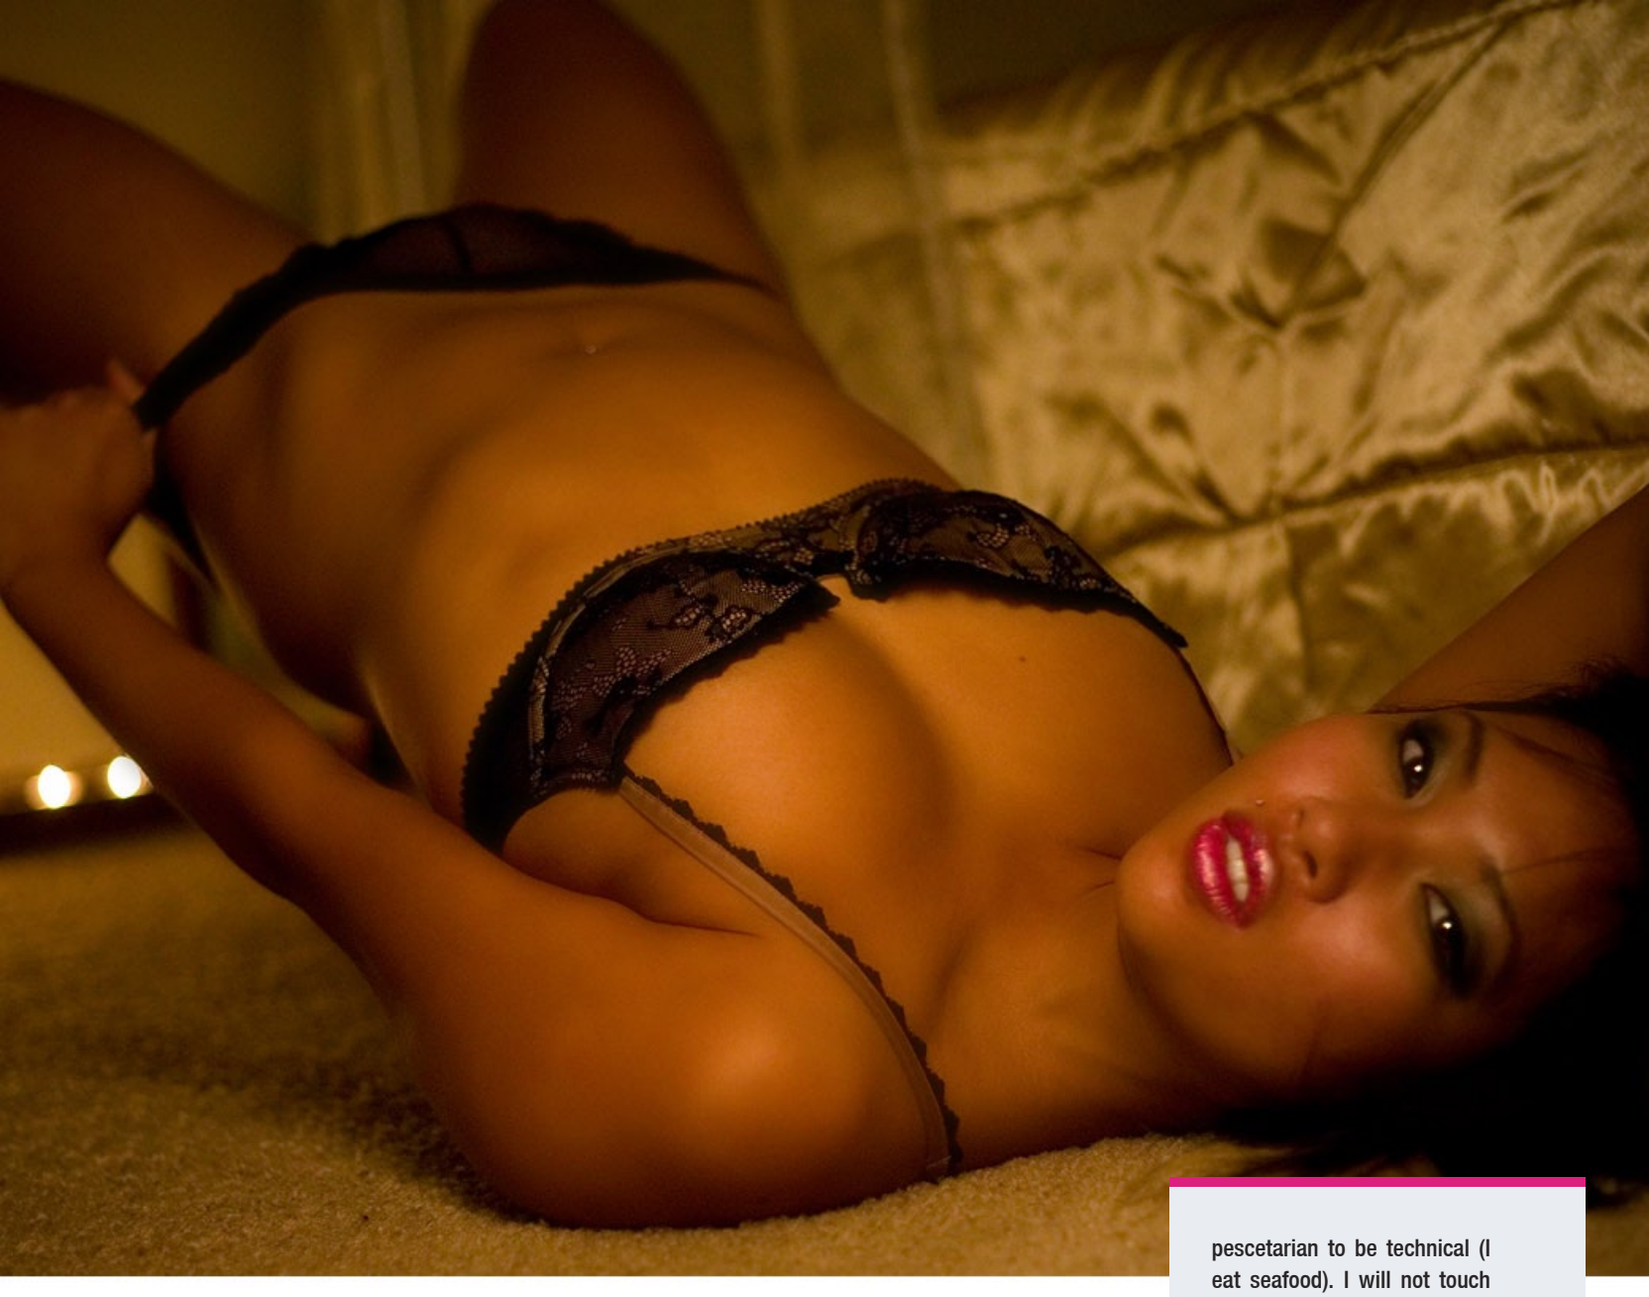
FITNESS REGIME?
Love to work on every muscle in my body, cardio, yoga, boxing. My favorite part of my workout is after, when I get to relax in the sauna.

FAVORITE MOVIES?
I enjoy all movies, but Good Luck Chuck is pretty up there.

FAVOURITE RESTAURANT?
I am a weird eater. I am picky, but not picky (does that make sense?) I am a vegetarian,



pescetarian to be technical (I eat seafood). I will not touch dairy products like milk, cheese, butter and eggs, but will (with guilt) order cheesy pasta dishes (fettucine alfredo i.e), and sometimes desserts like ice cream. I know, I am weird, but other than that, I'll eat anything. I love McCormick & Schmicks.

GUILTY PLEASURE?

I enjoy days when I do absolutely NOTHING productive. Last holiday: NYE. Quite an adventure. Definitely woke up with a jaguar in my hotel bathroom (kidding)

-MODEL/MAKEUP ARTIST/HAIRSTYLIST/STUDENT.

MODEL STORY

PEENKAY TANG

PROFESSION? Model/makeup artist/hairstylist/student.

WHAT MADE YOU WANT TO BECOME A MODEL AND WHAT INSPIRED YOU TO FOLLOW THE PATH YOU ARE ON NOW? I've turned down a few offers for photo shoots before I started paying attention to modeling. At that point in my life I wasn't ready. About less than a year ago I gave it a try to see where this direction will take me, so far I've been loving every minute. Modeling wasn't something I've always wanted to do but kind of fell into. Regardless of how I started, I'm determined to take it as far as I can..

WHAT HAS BEEN YOUR BIGGEST GIG SO FAR? My biggest gig so far is actually doing a small scene in American Pie 7 with Stifler.

WHAT TYPE OF MODELING IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? I know I have the body to do mostly glamour modeling but I would love to do fashion one day. Maybe not walk the runways but for catalogs and magazines. I would not accept any gigs where I have to pose naked. I'm not ready to do that kind of modeling.

ARE THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? I get a lot of photographers that's offered to shoot me nude or asked if I like to do fetish stuff. I'm not that type of model. I am picky as to my assignments.

WHAT'S YOUR FAVORITE STYLE OF PHOTO SHOOT? Fashion/Glamour.

WHAT IS THE BIGGEST LESSON YOU TOOK AWAY FROM YOUR EXPERIENCE IN MODELING? That this industry is hard. Very hard to keep up with. Being a model is not as glamorous as it may seem and you need a very tough skin to be able to handle criticism. But no matter what people say, I don't let them stop me from getting to where I want to be..

WHAT'S YOUR RING TONE RIGHT NOW? Stuttering by Mario.

SNEAKERS OR STILETTOS? Both. Most days I love to dress down and be comfy but I do have those days when I want to be girly and dress up :)

EARLY BIRD OR NIGHT OWL? Night owl. I'm very nocturnal and totally not a morning person. My brain doesn't fuction properly in the morning. Haha

BEST PARTY PLACE? Its not the place but the company I'm with.

FAVORITE ALCOHOLIC BEVERAGE? I don't drink.

WHAT ARE THE TOOLS YOU COULDN'T LIVE WITHOUT? My cellphone.

YOUR 4 FAVORITE SITES ONLINE? Facebook, Youtube, Forever21 and Pinights.

TURN-ONS? A man that knows what he's doing in bed.

WHAT IS YOUR FAVORITE POSITION? Guess?

YOU WILDEST SEXUAL EXPERIENCES? Ask my boyfriend.

LEXUS
SUPER
CAR

LEXUS LFA SUPERCAR, 2009

A TWO-SEAT SUPERCAR

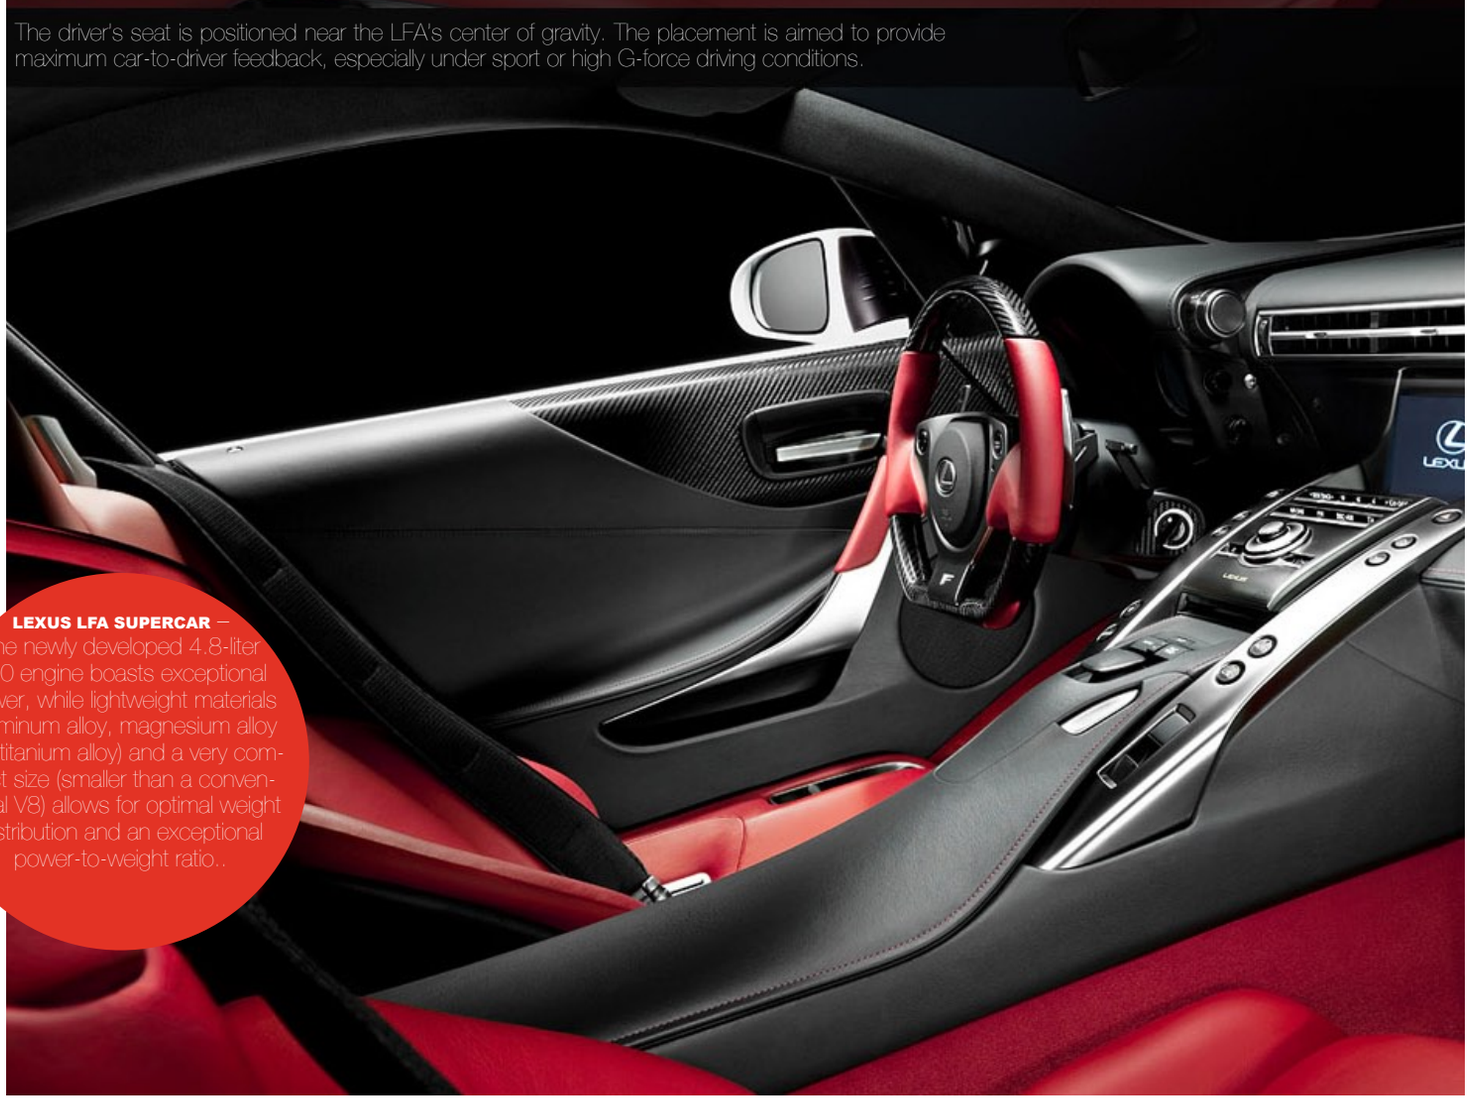
LFA is finally here at the Tokyo Motor Show, and it is glorious. All of which makes it harder to stomach that the car shown here isn't expected to reach customer garages until early 2011.

The specifications of the new rear-drive Lexus supercar are impressive enough: a 4.8-liter V10 with 560 ps (552 bhp), 354 lb-ft torque, a zingy 9,000 rpm redline, six-speed sequential gearbox, 0-62 mph in 3.7 seconds, and a top speed of 202 mph. It looks amazing too, both in pictures and in person.

Only 500 units of the LFA are to be produced and sold worldwide. Titanium valves, ultra–light weight rocker arms with a diamond–like coating and a fully integrated lower crankcase that reduces pumping losses at high RPMs combine to provide the driver with overwhelming acceleration right up to the 9,000rpm redline. The LFA's purpose-built V10 delivers 90% of its peak torque between 3,700rpm and 9,000rpm.

Photo_ JAYSON LLAVORE (0918-9085998) JAYSON.MYRA@YAHOO.COM WWW: 8YEARS1LOVE.MULTIPLY.COM

The driver's seat is positioned near the LFA's center of gravity. The placement is aimed to provide maximum car-to-driver feedback, especially under sport or high G-force driving conditions.



LEXUS LFA SUPERCAR – The newly developed 4.8-liter V10 engine boasts exceptional power, while lightweight materials (aluminum alloy, magnesium alloy and titanium alloy) and a very compact size (smaller than a conventional V8) allows for optimal weight distribution and an exceptional power-to-weight ratio..

AUDI S5 CABRIOLET

THE JOY OF OPEN-TOP DRIVING

Words_JOHN ENAR KARLSSON

Dynamic and wonderful to look at, the new A5 Cabriolet is a real Audi, and an especially exciting one at that. The four-seater with the fabric top combines a sporty character with the fascination of open-top driving, refined comfort, and great everyday utility. Seven powerful engines, an agile suspension and a wide range of high-end options make the new Audi model the most attractive mid-range convertible. The top-of-the-line model of Audi's new family of convertibles is the S5 Cabriolet. The engine of the S5 Cabriolet is the newly developed, supercharged three-liter V6 with gasoline direct injection. Prices start at EUR 37,300 for the 1.8 TFSI with 118 kW (160 hp) and six-speed manual transmission. Delivery of the first A5 Cabriolet models will begin in the second quarter of 2009.

The top-of-the-line model of the new Cabriolet production series from Audi is the S5 Cabriolet. The letter "S" stands for Sport – for dynamics, performance and power, but also for amazing efficiency. /SLITZ

BMW Z4 ROADSTER

A CLASSIC - REDESIGNED...

Words_JOHN ENAR KARLSSON

A roadster designed the way only BMW can: the classic proportions of the stretched bonnet and short overhangs are complimented by the low seats near to the rear axle to grant the driver a perfect feel for the road. The modern shape, an interplay of striking contours and soft mergers, fully captures the character of this vehicle from its characteristic kidney grille to the powerful wheelarches at the rear. However, it's the way this roadster effortlessly negotiates straights and bends that makes it truly like no other.

The modern interpretation of classic roadster proportions and stylish interior thanks to the unique combination of sophisticated materials and colours in the form of Design Pure White. Exclusive to this option is the Havanna paint finish enhanced with a fine, metallic pigment coating which is stylishly attuned to the exclusive Leather Silk Nappa Ivory White in the interior. This enhanced standard colour creates an elegant atmosphere complemented by the stylish combination of the modern, high-gloss, fine-wood trim Fineline Anthracite with horizontal grain.

GALAXY ADVENTURES

EL NIDO, PALAWAN

WHITE SAND, BLUE WATER AMD GREEN NATURE....

Words_JOHN ENAR KARLSSON Photo_OYALES PHOTOGRAPHY

SLITZMAG.COM

ITS TIME, TIME TO ENJOY life and visit a new paradice. SLITZ visit El Nido (officially the Municipality of El Nido), a really magical place. From its ageless towering marble cliffs to its white sandy beaches with crystal clear water, many refer to it as paradise. There are over 50 beaches to discover, so many in fact that sometimes you feel as if you are on your own secluded private beach. You will also find enchanting lagoons with tranquil turquoise-green waters, caves that can take you to hidden beaches, and a very diverse variety of wildlife.

Like the rest of Palawan and Sulu, it is part of the Sunda Plate, a plate that is entirely separate from the Philippine Mobile Belt to which the rest of the Philippines belong. The limestone cliffs here are similar to those that can be found in Ha Long Bay in Vietnam and Guilin in China, as well as Krabi in Thailand, all of which are part of the Eurasian Plate./**SLITZ**

Mayon Volcano, also known as Mount Mayon, is an active stratovolcano located in Legaspi, Albay, of the Bicolandia Region, Philippines.

In October 13, 2008, Mayon Volcano was nominated in the New 7 Wonders of Nature. It ranks 10th out of the 77 nominees, which includes the Tubbataha Reef, Palawan and Chocolate Hills of Bohol. However, it did not make the final cut to the 28 Official Finalists Candidates but gave way to Puerto Princesa's Subterranean River.

The current cone was formed through pyroclastic and lava flows from past eruptions. Mayon is the most active of the active volcanoes in the Philippines, having erupted over 49 times in the past 400 years./ **SLITZ**

A HOT FRAT PARTY BATHROOM DELIGHT.....

By www.truesexstories.org

I was at a frat party a few years ago and the theme was 70's disco. Always a huge fan of costume parties, I was decked out in a tight polyester shirt, bell-bottom tan pants (they were damn tight) and my aviator sunglasses. I was getting drunk with my buddies when I see this hot brunette eyeing me from across the room. I had to lower my sunglasses to get a better look. She was wearing a little pink tank-top and go-go shorts that were barely covering her ass. She had these long legs that kept on going.

I walked across the room and chatted her up. She told me she loved to dance, so I took her down to the dance floor and we started grinding real close. I had my arms around her waist as she moved her tight ass up and down on my now-hard cock. My tight polyester pants weren't hiding anything. Everyone could see the fat bulge but I was too drunk to care. I reached around and started rubbing her pussy through her shorts and she started grinding into me even harder. I could feel her juices dripping down the side of her thighs - she was that wet.

Finally, she took my hand and led me off the dance floor. We found an unoccupied bathroom and locked the door. We immediately started making out and ripping the clothes off each other. I leaned against the sink counter as she pulled down my pants and hungrily shoved my dick in her mouth. She was bobbing up and down on it like there was no tomorrow, while she was rubbing her own pussy.

When I was ready, I lifted her up and bent her over the sink counter and slowly slid my cock inside her. I pumped her hard for a good 15 minutes (the alcohol definitely helped my stamina) and she was moaning and biting her lip. I felt her pussy tighten up around my cock as she came hard. Her titties were bouncing up and down from the mirror at every thrust. Finally, I pulled out of her and sprayed my jizz all over her ass and her back. She turned around and sucked my dick clean, telling me how much she liked the taste of my cum. We quickly got dressed and went back to the party. Somewhere along the way, I passed out on the couch and when I woke up she was gone. I haven't seen her since./SLITZ
